1) Welcome:

The Chairman welcomed everyone to the meeting and gave a report of Parish Council activity from 2019/2021 as no Annual Assembly could be held in 2020 due to a change in Government Legislation due to the pandemic.

The Council have adapted to remote meetings following restrictions to public meetings due to Covid-19. A new Community Speedwatch Group was in the early stages of formation before lockdown and the old speed gun has gone to Staffordshire Safer Roads Partnership to be checked over before a training session can be organised. The two Vehicle activated speed signs have now been installed on Uttoxeter Road and this project is now complete. The Cresswell Old Lane sign has been replaced and the Totmonslow 100 signs cleaned and repaired. Poppies have been increased for the lamp posts during the remembrance period. Posts have been purchased to stop people parking vehicles on the verge at the bottom of Church Lane. These are to be fitted shortly by St Modwen who pledged to do this at the same time when they helped fix the resurfacing of Church Lane for the Community. Highways liaison meetings have begun to improve communication with the Staffordshire County Highways team to solve the two flooding issues on Uttoxeter Road and Cheadle Road. The milestone at Totmonslow has been reset and is awaiting repainting. Grants have been approved for Community projects for wildflowers, bulbs and a new Playgroup in the village. Draycott phone box has been adopted for £1. Fundraising for the defibrillators is progressing steadily. A new bin has been fitted below the St Margaret's Church Yard to help with the dog fouling problem. Planters have been put in several locations around the Parish and plants have been tended by volunteers in 2020. A new Parish Council Logo has been designed and approved. A new Lengthsman has been appointed to keep the Parish tidy.

2) Public Speakers from Local Community Organisations:

- The Knight of Draycott – opened the Assembly. *Master Leo Myatt a volunteer of the community who has been dressing in costume as a Knight in shining armour*
- The Rev Jonathan Roberts from St Margaret's Church, Draycott: The year has been a challenging one *during the Covid-19 pandemic* for everyone. Although the Church Doors have been closed this has been a catalyst to online *the Covid-19 pandemic* worship. A new website is in progress. Many members of the Church have been working hard to *help their neighbours in the Community. Funerals have been held but this has been really tough for period the families. The Church is now open again on Sundays for congregations to attend observing to cheer up residents in the village of Draycott.*
